Jumble for Jabs

Fundraising to help poorer countries get a fair share of COVID-19 vaccines.

All money raised goes to:

GO ▶ GIVE ▶ 1

Go Give One is a COVID-19 fundraising campaign with no borders. Created by the WHO Foundation, the campaign calls on everyone, everywhere to play their part in helping to vaccinate us all.

Money raised goes to an international fund called COVAX AMC, which buys COVID-19 vaccines for the world, prioritising those who need them most in countries that cannot afford them.
